2. **1997–Present: Professional Licensure, Registered Nurse**, Texas Board of Nursing
3. **2003: Certificate of Completion**, Prairie View A & M. Major Area: Vocational Education

POSITIONS IN HIGHER EDUCATION

1. **2023 – Current: Manager of LSCPA Prometric Regional Testing Center for Nurse Aide Training and Evaluation Program**

Maintain and manage nurse aide lab to enable students from Region 4 to come and test for Certification. Ensure lab supplies are maintained and restocked as needed and that computer testing software is updated per our IT department, according to expectations of Prometric. Ensure availability during the week and sometimes on weekends to meet the needs of those in the community, based on lab availability. Communicate effectively with Prometric liaison Nurse Aide Evaluators to ensure a professional working relationship.

2. **2021 – Current: Nurse Aide Program Coordinator/ Instructor, Faculty Advisor**

Responsible for administration, planning, implementation and evaluation of the Nurse Aide program according to state guidelines as well as community needs assessment data. Consistently reviewing state curriculum for updates to ensure program compliance. Communicating with Long-Term Care facility Administrators for feedback to improve program outcomes and expectations for graduates. Ensuring Long-Term Care facilities are up to standard expectations of the state so that students are able to receive credit for clinical rotations and ultimately Nurse Aide Certification. Assist in the maintaining of Nurse Aide State Program records, and verify backgrounds and liability insurance of students, along with Instructor of record and Administrative assistant. Participates in guidance and advising of Allied Health students. Assists in the remediation and if necessary, probation and dismissal of nurse aide students. Help guide students on registration, application and renewal process in order to approve them to test for their Nurse Aide Certification. Establishes effective working relationships with others. Serves on departmental and college committees, performs community service, and continues professional development to increase teaching abilities. Maintains current knowledge, clinical expertise, and safety in the subject areas of teaching responsibility.

3. **2013-2021: Vocational Nursing Coordinator/Instructor, Lamar State College Port Arthur**

Responsible for administration, planning, implementation and evaluation of the Vocational Nursing program. Facilitates faculty development, recruitment, new faculty orientation, performance reviews, promotion and retention. Maintenance of faculty records, include licensure, CPR certification and continuing education. Maintains academic standards as established by the Vocational Nursing program. Assists in the development, implementation, and evaluation of the curriculum. Participates in guidance and counseling of students. Assists in the probation and dismissal of students.

4. **2006-2013: Vocational Nursing Instructor, Lamar State College Port Arthur**

Responsible for providing quality and innovative instruction to students in the Vocational Nursing program. Faculty shall teach a standard work load of thirty (30) semester credit hours of instruction each academic year beginning each fall and continuing through the following summer. Maintains academic standards as established by the Texas Board of Nursing. Provides professional leadership

in the development, implementation and evaluation of curriculum. Assists with advising and recruiting students. Establishes effective working relationships with others on campus and within the community.

ADDITIONAL RELATED EXPERIENCE

1. **2002-2006: Health Occupations Students of America (HOSA) Instructor, Beaumont Independent School District (BISD)**

Responsible for preparing, through classroom instruction, High School students to provide basic hygiene care, nutrition and safe mobility practices for residents in a Long-Term Care Setting. Students were also instructed on basic principles of Anatomy and Physiology and Nutrition. Upon completion of this 2-year course, students were eligible to test and receive a Certification as a Nursing Assistant.
2. **1997-2002: Registered Nurse Neuro/Neuro ICU, Christus St. Elizabeth Hospital SETX**

Managed the care of moderate to critically ill patients that were dealing with various conditions related to neurological functioning. Worked in a team and frequently led the team of nurses on a 21-bed/Neuro ICU step-down unit in the care of patients who were suffering from Cerebral Vascular Accidents (CVAs), Spinal Cord Injuries, Brain Aneurysms and other Neurological injuries. Routinely cared for patients who required ventilation therapy and required one-on-one monitoring following surgical procedures. Worked as a part of an Interdisciplinary Healthcare team to address individualized patient needs in order to achieve the best possible patient outcome. Provided education to patient as well as family members regarding the expected goals of care both during hospital stay as well as prior to discharge.
3. **1993-1997: Certified Patient Care Assistant, Christus St. Elizabeth Hospital SETX**

Responsible for basic hygiene care of patients who had recently delivered babies and women following gynecological surgical procedures. Also assisted Nursing team by appropriately obtaining, documenting and reporting Vital signs of temperature, respirations, pulse and blood pressure. Assisted with the monitoring and reporting of accurate Intake and Output from meal

consumption and body elimination. Carried out, in an effective and safe manner, orders for ambulation and positioning needs of patients, under the supervision of Registered Nurses and Licensed Vocational Nurses.
