

MATH 1342-71 ELEMENTARY STATISTICS FALL 2023

The following policies are in effect for this online course.

1. Each quiz or test with the exception of the Orientation Quiz will be available for 46 hours beginning at 1:00 AM the first day and ending at 11:00 PM the following day.
2. Quizzes may be taken **twice**. I will use the higher of the two scores. The Orientation Quiz may be taken an unlimited amount of times. I will still only count the highest of the scores.
3. Tests may only be taken **once**.
4. The calendar on your dashboard in MyLab Math reflects the availability of the quizzes and tests. Watch the availability when you log in to do your work. The test or quiz will only show when available.
5. All of the homework is due at the end of the semester.
6. **(December 11 @ 11:00 PM)**. The final exam is not comprehensive.
