Faculty shall teach a standard work load of thirty (30) semester credit hours of instruction each academic year beginning each fall and continuing through the following summer. Maintains academic standards as established by the Texas Board of Nursing. Provides professional leadership in the development, implementation and evaluation of curriculum. Assists with advising and recruiting students. Establishes effective working relationships with others on campus and within the community. Serves on departmental and college committees, performs community service, and continues professional and technical development. Maintains current knowledge, clinical expertise, and safety in the subject areas of teaching responsibility.

ADDITIONAL RELATED EXPERIENCE

1. 2002-2006, Health Occupations Students of America (HOSA) Instructor, Beaumont Independent School District (BISD)

Responsible for preparing, through classroom instruction, High School students to provide basic hygiene care, nutrition and safe mobility practices for residents in a Long-Term Care Setting. Students were also instructed on basic principles of Anatomy and Physiology and Nutrition. Upon completion of this 2-year course, students were eligible to test and receive a Certification as a Nursing Assistant.

2. 1997-2002, Registered Nurse Neuro/Neuro ICU, Christus St. Elizabeth Hospital SETX

Managed the care of moderate to critically ill patients that were dealing with various conditions related to neurological functioning. Worked in a team and frequently led the team of nurses on a 21-bed/Neuro ICU step-down unit in the care of patients who were suffering from Cerebral Vascular Accidents (CVAs), Spinal Cord Injuries, Brain Aneurysms and other Neurological injuries. Routinely cared for patients who required ventilation therapy and required one-on-one monitoring following surgical procedures. Worked as a part of an Interdisciplinary Healthcare team to address individualized patient needs in order to achieve the best possible patient outcome. Provided education to patient as well as family members regarding the expected goals of care both during hospital stay as well as prior to discharge.

3. 1993-1997, Certified Patient Care Assistant, Christus St. Elizabeth Hospital SETX

Responsible for basic hygiene care of patients who had recently delivered babies and women following gynecological surgical procedures as well as elderly population in various acute care units. Also assisted Nursing team by appropriately obtaining, documenting and reporting Vital signs of temperature,

respirations, pulse and blood pressure. Assisted with the monitoring and reporting of accurate Intake and Output from meal consumption and body elimination. Carried out, in an effective and safe manner, orders for ambulation and positioning needs of patients, under the supervision of Registered Nurses and Licensed Vocational Nurses.
